# We have a new look!

You might have noticed that the Women’s Foundation of Mississippi has a new look. We were proud to assess and evaluate our brand this year, and our new look makes a world of difference. We’re committed to the same values and mission, as always, but we think our new materials better help tell the story of why and how we help women thrive.

The Women's Foundation of Mississippi promotes access to comprehensive, medically-accurate sex education for our state's teens.

Fact-not-fiction.com offers teens and their parents an easy way to stay informed about sexual health and is aimed at lowering Mississippi's teen pregnancy rate and sexually-transmitted infections (STIs).
