AI: USE, MISUSE, AND NAVIGATING THE WORKPLACE

Tools, Boundaries, & Best Practices for Modern Professionals

THURSDAY, OCTOBER 15, 2026

Thrive@Work is an annual luncheon hosted by the Women's Foundation of Mississippi that brings together business leaders, community partners, and supporters to explore workplace policies and practices that support women and families.

This year's event will feature a panel discussion on "AI: Use, Misuse, and Navigating the Workplace," examining how emerging technologies are reshaping hiring, productivity, workplace culture, and economic opportunity.

Thrive@Work celebrates the collaboration between leaders and employees who are building innovative workplaces where people can succeed, grow, and thrive—because when Mississippi's workforce thrives, Mississippi thrives.
